Funding Application and Guidelines

Program Guidelines

The Makkovimiut Trust Inc. (MTI) receives money each year from funds under the IBA to provide funding to volunteer, non-profit organizations in the community of Makkovik. In order to receive funds, applicants must follow the set guidelines:

- 1 All applicants must complete an application and submit it to the council office or mail it to the address provided above
- 2 Applications are to be submitted on behalf of an organization; no personal applications will be accepted
- 3 Applicants must provide a full description of the proposed usage of the funds. If the MTI feels that there is not sufficient information, then the proposal will be returned to the applicant with a request for more information
- 4 Applicants must agree to submit a budget and written report to the MTI once the project has been completed and funds spent

About the Selection Process

- 1 If a group applies for funding and a member of that organization sits on the MTI, s/he can discuss the proposal but cannot vote on it
- 2 Each proposal will be brought to the committee and voted upon. The vote shall be final.
- 3 The MTI reserves the right to limit the funding on any application.
